Med-Vet-Net Association Travel Grants

for Attendance at Relevant Conferences

A bursary of up to €1K is available.

Grants will be announced twice per year in January and in July. A total budget of 15,000 € is available, half of which will be allocated for each 6-month period. Awards will be made on a first-come-first-served basis. Applications can be made at any time.

Criteria

1. The conference can be anywhere, but the subject must be relevant to the mission of the Med-Vet-Net Association:

    The Med-Vet-Net Association unites its members to promote a One-Health approach to combat zoonoses and support a healthy and sustainable food supply chain across Europe (and beyond) by:
    *   *Sustaining and capitalising on common zoonoses research activities.*
    *   *Dissemination of expertise, training and information.*
    *   *Advocacy towards European and global stakeholders.*

    Preference will be given to attendance at conferences covering topics not covered within the EJP, so as to extend opportunity and provide additional value to the Med-Vet-Net Association.

2. Applicants should be early-career researchers (with a maximum of 10 years research experience since completing their PhD), not PhD students, and must be from MVNA member institutes.

3. Applicants should present either a talk or a poster.

Poster should include:

- Acknowledgment of Med-Vet-Net Association support.
- Med-Vet-Net Association logo should appear on poster.
- Poster to appear on Med-Vet-Net Association website after the conference.

Talk should include:

- Acknowledgment of Med-Vet-Net Association support and MVNA logo on acknowledgment slide.
- Abstract of talk to appear on Med-Vet-Net Association website perhaps illustrated by one slide from the talk.

4. Applicants should provide:

- Full costings for travel/conference registration etc. Reimbursement will be strictly limited to the costs of travel, accommodation and registration.
- Conference programme – or provisional programme if not finalised at time of registration – to demonstrate relevance.
- Abstract for the talk or poster to be presented.

5. A one-page report must be produced and submitted to the MVNA project manager within 6 weeks of attending the conference.
